

Advert for Lengthsman Contract Tendering Process

Lea Parish Council

Lengthsman Contract

Closing Date for Applications: 30th March 2025

The Lea Parish Council is seeking tenders for a Lengthsman contract to support the maintenance and enhancement of our parish's public spaces. The Lengthsman will play a vital role in ensuring the upkeep of footpaths, hedgerows, and other communal areas, contributing to the overall quality of life for our residents.

Key Responsibilities: - Regular maintenance of footpaths and bridleways. - Clearing debris and litter from public areas. - Hedge trimming and management of overgrown vegetation. - Minor repairs and improvements to public infrastructure. - Collaboration with the Parish Council to identify maintenance needs.

Eligibility Criteria: - Proven experience in grounds maintenance or similar roles. - Knowledge of health and safety regulations. - Access to suitable equipment and tools. - Ability to work independently and manage time effectively.

Tender Submission Requirements: - A detailed proposal outlining your approach to the contract. - Evidence of relevant experience and qualifications. - A breakdown of costs and fees. - Insurance and health and safety documentation – competence to work along highways other than A and B class roads

How to Apply: Interested parties should submit their tender documents to Clerk@theleaparishcouncil.gov.uk by 30th March 2025.

For further information, please contact Neil Barrington at clerk@theleaparishcouncil.gov.uk or 07380132702.

Join us in enhancing our community and maintaining the beauty of our parish. We look forward to receiving your proposals.
